

Welcome To RentBuy Appliances

Rentbuy is a family owned and run Australian business operating since 1978. Over these 30 years we know, that you the customer should be looked after in a very special way, and that is why we pride ourselves on complete customer service. Now and in the future, you can always contact us for personal and friendly service.

As a part of our new direction we are currently supporting the Transplant Australia "Journey of Hope" campaign and we are giving \$10.00 of your 1st months rent as a donation to this cause.

The Journey of Hope Campaign aims to raise funds to provide financial assistance, education and support for those people waiting for a transplant and their families. For more information or to make a donation to help them on their journey back to health, go to www.journeyofhope.org.au

We look forward to being of service!!!
